A PATHWAY TO

Knowledge

The Globe *1961*

PUBLISHED BY THE SENIOR CLASS
OF
CHURCHVILLE HIGH SCHOOL
Churchville, Virginia

FOREWORD

We, the Annual Staff, in this book have attempted to show our readers - the students, parents, and friends - THE PATHWAY TO KNOWLEDGE which the Churchville High School personnel has taken during the 1960-1961 session in classes, in activities, in sports, and in leisure time.

We hope "The Globe" will be a constant reminder to all and especially the seniors, of their experiences and may they feel that they have done their best in school and out of school in work and play.

DEDICATION

We, the Senior class, dedicate this edition of "The Globe" to our parents.

As we pause on Our Pathway to Knowledge to recall the past we are aware of our great indebtedness to many and especially to you, our parents.

You have not only clothed us, fed us, and provided a home for us but you have always, when we have made mistakes, met us with a helping hand and an understanding heart.

To satisfy our often selfish wants, you have done without things for yourself.

We know at times we seemed unappreciative but you understood and were always at hand when we needed you most.

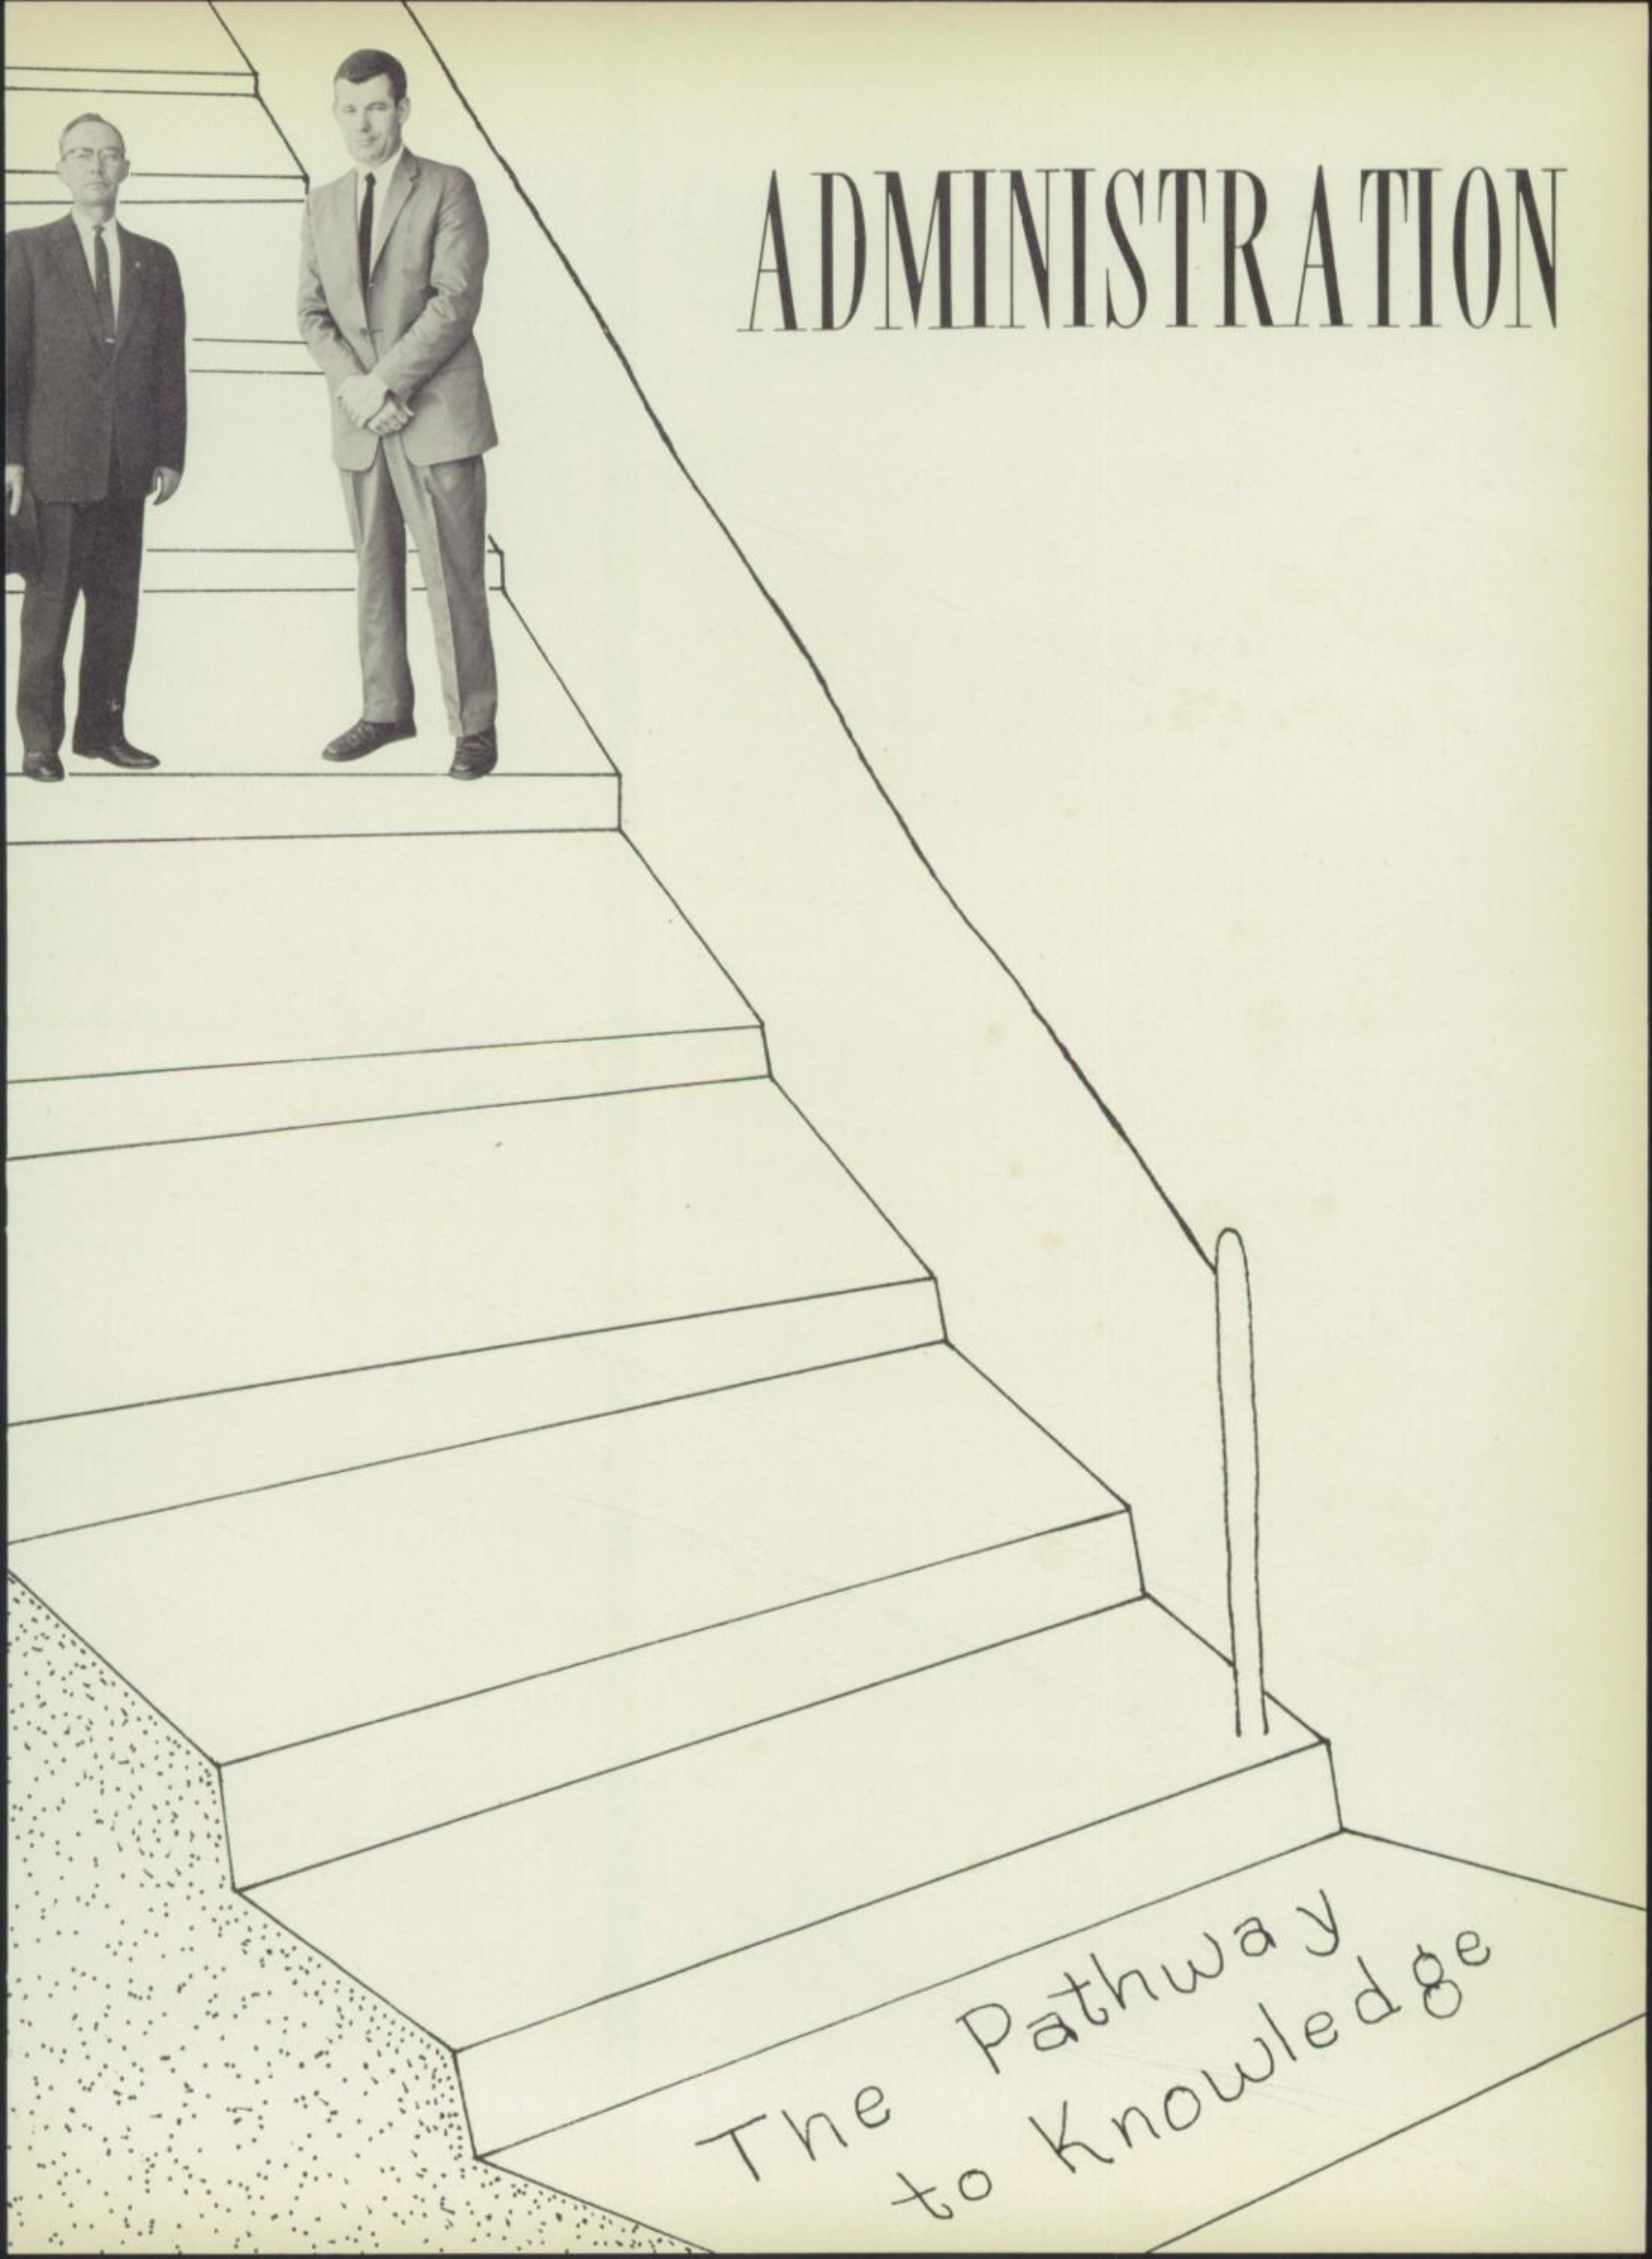

Now we stand on the threshold of a new life and pause to thank you from the depths of our hearts for all you have done. We will endeavor to show our appreciation in the years to come by being the kind of young men and women you expect us to be.
